## **Charter of the Nations rejecting Sharia**

Abstract :

We commit ourselves:

- 1) To promote in our respective countries the passage of laws forbidding the teaching of the rules of sharia as well as the promotion or propagation, public or private, of their individual or collective application as norms of conduct.**
- 2) To promote in our respective countries effective educational, legislative and preventive measures designed to eliminate social practices linked to the application of the rules of sharia**
